EU-Japan Technology Transfer Helpdesk launching Survey on Tech Transfer Opportunities for SMEs

The EU-Japan Technology Transfer Helpdesk, a service of the EU-Japan Centre for Industrial Cooperation is launching a survey on Tech Transfer Opportunities for SMEs.

The Helpdesk aims to support EU and Japanese companies and individuals in their search for technologies and understanding the mechanics of technology transfer transactions, as well as bridging the knowledge gap about current available technologies from both Japan and the EU. The survey is primarily designed to gauge the interests of SMEs in technology transfer opportunities. The results of the survey will be published and publicly available by the end of FY 2017 (April 2018). Provided e-mail addresses will be kept anonymized"
